

CORE ENGAGEMENT SELLING SYSTEM

The Ever&Ever™ Collection

COMPLETE BRIDAL FLEXIBILITY

"Yes" is a beautiful, powerful word. And with our new Ever&Ever™ selling system, you can say it to each bridal customer request because it's the first completely customizable bridal collection in our industry.

The Ever&Ever™ bridal selling system includes —

- 122 flexible 3C™ styles — 68 engagement rings and 54 bands
- Ever&Ever™ is supported by consumer marketing materials you can use
- Ships with a comprehensive reference and pricing guide featuring images of each style in all available stone shapes and sizes
- Further customize each style by calling our CAD/CAM Services or through your CounterSketch® software
- Product is refreshed twice a year with new prototypes available for purchase
- Unique, compatible web experience for all styles in collection
